INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Radio Bilingüe, Inc.
Fresno, California

Report on the Financial Statements

We have audited the accompanying financial statements of Radio Bilingüe, Inc. (the Organization), which comprise the statements of financial position as of September 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Radio Bilingüe, Inc. as of September 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 31, 2019, on our consideration of Radio Bilingüe, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing, of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Radio Bilingüe, Inc.'s internal control over financial reporting and compliance.

Revenue

Radio Bilingüe, Inc. receives substantially all of its grant and contract revenue from Foundations, Corporation for Public Broadcasting, State, and other governmental agencies. Radio Bilingüe, Inc. recognizes contract revenue (up to the contract ceiling) from its contracts, either on a cost reimbursement basis or on a production basis depending on how performance is defined by the respective contracts. Revenue recognition depends on the contract.

Any of the funding sources may, at its discretion, request reimbursement for expenses or return of funds, or both, as a result of noncompliance by Radio Bilingüe, Inc. with the terms of the grants/contracts.

Unearned Revenue

Radio Bilingüe, Inc. records grant/contract revenue as unearned revenue until it is expended for the purpose of the grant/contract, at which time it is recognized as revenue. The balance in unearned revenue at September 30, 2018 represents amounts received under cost reimbursable contracts that will be expended in the next fiscal year in accordance with the grant/contract period.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Radio Bilingüe, Inc. has not received any contributions with donor-imposed restrictions that would result in temporarily or permanently restricted assets. NOTE 4 – LINE OF CREDIT

In July 2014, Radio Bilingüe, Inc. entered into an agreement with a Private Foundation for access to a revolving line of credit. The balance on the account shall not at any time exceed the greater of: (a) \$250,000 or (b) the amount supported by the current Grant Receivables, as determined by the Foundation in its sole discretion. Radio Bilingüe's right to withdraw funds from the account is subject to the satisfaction of various conditions, unless waived in writing by the Foundation in its sole and absolute discretion. A "Request for Withdrawal and Draw Package" must be completed including copies of current Grant Receivables which support the withdrawal and the proceeds of which shall be the source of repayment of such withdrawal. Radio Bilingüe shall replenish to the account funds received from proceeds from Grant Receivables from the various sources of such grants within ten days. There was no outstanding balance at September 30, 2018. The credit line is for operational purposes. The agreement is subject to renewal on August 23, 2020.

NOTE 5 – CONTINGENCIES

Continued program funding is contingent upon the availability of funds from federal, State and local funding sources and project performance. Periodic audits may be performed by granting agencies and certain costs may be questioned as not being reimbursable under the terms of the contract. Such audits could lead to reimbursement to the granting agency. Until such audits have been completed, there exists a contingency to refund any amount received in excess of allowable costs.

FOR THE YEARS ENDED SEPTEMBER 30, 2018 AND 2017**

NOTE 6 – UNCERTAIN TAX POSITIONS

Radio Bilingüe, Inc. has qualified as a non-profit organization and has been granted tax-exempt status pursuant to Internal Revenue Code Section 501 (c)(3) and California Revenue and Taxation Code Section 23701(d) and is exempt from Federal and State of California income taxes.

Generally accepted accounting principles provide accounting and disclosures guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

NOTE 7 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 31, 2019, noting no matters requiring disclosure in the financial statements for the year ended September 30, 2018.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Radio Bilingüe, Inc.
Fresno, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Radio Bilingüe, Inc. (the Organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 31, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Radio Bilingüe, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Radio Bilingüe, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
