#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Radio Bilingüe, Inc. Fresno, California

#### **Opinion**

We have audited the accompanying financial statements of Radio Bilingüe, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Radio Bilingüe, Inc. as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Radio Bilingüe, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Radio Bilingüe, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Radio Bilingüe, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Radio Bilingüe, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 10, 2023, on our consideration of Radio Bilingüe, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Radio Bilingüe, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Radio Bilingüe, Inc.'s internal control over financial reporting and compliance.

#### **Report on Summarized Comparative Information**

The financial statements of Radio Bilingüe, Inc. as of September 30, 2021, were audited by other auditors whose report dated May 9, 2022, expressed an unmodified opinion on those statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

#### **Accounting Policy Adoption**

During the year ended September 30, 2022, the Organization adopted Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

#### **New Accounting Pronouncement Not Yet Effective**

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842), which requires the recognition of a "right to use" asset and a lease liability, initially measured at the present value of the lease payments, on all of the Organization's lease obligations. This ASU is effective for fiscal years beginning after December 15, 2021. Management does not expect this ASU to have a significant impact on the Organization's financial statements.

#### **Classification of Net Assets**

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u> – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and Board of Directors.

<u>Net assets with donor restrictions</u> – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

#### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash held in local banks.

#### **Concentration of Credit Risk**

Radio Bilingüe, Inc. maintains a bank account at Wells Fargo Bank. The account at this bank is insured by the Federal Deposit Insurance Corporation (FDIC). The uninsured portion of this balance was \$3,504,648 and \$3,142,411 as of September 30, 2022 and 2021, respectively.

#### Revenue

Radio Bilingüe, Inc. receives substantially all of its grant and contract revenue from foundations; businesses and non-profit organizations (the majority of which serve as intermediaries for state, federal and local government revenues for public service outreach); Corporation for Public Broadcasting, and some direct state and local revenues. Radio Bilingüe, Inc. recognizes contract revenue (up to the contract ceiling) from its contracts, either on a cost reimbursement basis or on a production basis depending on how performance is defined by the respective contracts. Revenue recognition depends on the contract.

Contract revenue that has not yet been expended for the purpose of the grant/contract is recorded as unearned revenue.

Any of the funding sources may, at its discretion, request reimbursement for expenses or return of funds, or both, as a result of noncompliance by Radio Bilingüe, Inc. with the terms of the grants/contracts.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Contributions**

Contributions received are recorded depending on the existence and/or nature of any donor restrictions. Radio Bilingüe, Inc. received contributions with donor-imposed restrictions of \$20,000 and \$150,000 for the years ended September 30, 2022 and September 30, 2021, respectively. Contributions for property, space and professional services are recorded at their fair market value of \$331,711 and \$427,318 for the years ended September 30, 2022 and 2021, respectively.

#### **Donated Goods and Services**

Donated in-kind gifts are recognized as contributions if they have ascertainable fair values and are able to be realized in cash or other liquid assets. Donated services are recognized as contributions if they 1) significantly enhance nonfinancial assets, or 2) involve a specialized service that would otherwise have been purchased and whose values can be objectively measured.

A substantial number of volunteers have donated their time to the Organization's program services and operations during the year. However, these donated services are not reflected in the financial statements since the services do not require specialized skills. Donated professional services are reflected in the statements of activities at their fair value.

Contributions of tangible assets are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or assets. The Organization received in-kind support used for program and other activities in the amounts of \$331,711 and \$427,318 for the years ended September 30, 2022 and 2021, respectively.

#### **Property and Equipment**

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of receipt. Depreciation is computed using the straight-line method. Repairs and maintenance are charged to operating expenses as incurred. Individual items with the cost of \$3,000 or greater are capitalized.

#### **Advertising Costs**

Advertising costs are expensed as incurred. Advertising costs were \$6,396 and \$8,384 for the years ended September 30, 2022 and 2021, respectively.

#### **Retirement Plan**

The Organization sponsors a 403(b) retirement plan (the Plan) covering substantially all employees who meet certain eligibility requirements. Employees may elect to have a portion of their salary deferred and contributed to the Plan. The Organization elects to make contributions to the Plan. Discretionary contributions are allocated based on compensation. All contributions to the Plan are 100% vested. The Organization made a contribution of \$20,704 and \$17,843 for the years ended September 30, 2022 and 2021.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Income Taxes**

Radio Bilingüe, Inc. is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and, therefore, has made no provision for federal income taxes in the accompanying financial statements. In addition, Radio Bilingüe, Inc. has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the years ended September 30, 2022 and 2021.

Generally accepted accounting principles provides accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax position and believes that all positions taken in its federal and state exempt information returns are more likely than not to be sustained upon examination. The Organization files exempt organization information returns in the U.S. Federal and California state jurisdictions. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years, respectively, after they are filed.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts and expenses during the reporting period. Actual results could differ from those estimates.

#### **Functional Allocation of Expenses**

The costs of providing the Organization's various charitable and general services have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, direct and indirect expenses have been allocated to program services or other activities based on their specific identification or the personnel resources utilized in the function. Supporting services consist principally of general, administrative and management costs and fundraising activities not directly allocable to program services.

The expenses that are allocated include the following:

| Expenses                         | Method of Allocation |
|----------------------------------|----------------------|

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Radio Bilingüe, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Radio Bilingüe, Inc., (the "Organization") which comprise the statement of financial position as of September 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Organization's financial statements, and have issued our report thereon dated April 10, 2023.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
